### **REASONS FOR ALLOWANCE**

1. Claims 15-37, 39 and 40 are allowed.
2. The following is an examiner's statement of reasons for allowance:
  - a. Regarding claims 15 and 24, the prior art of record does not teach or render obvious an alarm clock having all of the structure and functionality claimed, including logic for recording a time between the activation of the at least one electrical device and the absence of a user, logic for adjusting the activation time of the at least one electrical device, and wherein an adjustment to the activation time of the electrical device is based on a function of the recorded time.
  - b. Regarding claim 32, the prior art of record does not teach or render obvious a method for waking having all of the steps and structure as claimed, including recording a time between the initial activation time and a detected absence of the user, and automatically selecting a subsequent activation time of the at least one heating device based on a function of the time.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
